Willis HRH Commercial Solutions comprehensively and effectively serves the insurance and risk management needs of small and medium-sized organizations. Our experienced and knowledgeable commercial insurance experts serve our clients through a state-of-the-art technology platform, providing a wide range of competitive insurance products tailored to organizations that require a fast, efficient and often innovative response to their insurance needs.

WHAT WE CAN DO FOR YOU

- Web access 24/7 to your account information, including underwriting information, policies, certificates of insurance and change requests
- Delivery of competitive proposals, including side-by-side product comparisons within three days of receipt of completed underwriting information for 1,450+ industry classifications
- A single point of contact
- Certificate issuance within 24 hours of request
- Dedicated Property & Casualty, Executive Risks, Professional Liability and Surety Associates
- A portal to a vast array of specialized service, technology and risk management expertise

In addition, we have long-standing carrier relationships and will work with you to find the program that meets your unique organizational profile and risk management requirements.

As a PS Business Parks tenant you need to make sure you fully protect your investment from unforeseen events, satisfy the insurance requirements in your lease agreement, and satisfy state requirements for providing mandatory insurance coverage. Willis understands these requirements and can provide your company with the business insurance needed.

Please note: This program is being offered by Willis HRH and is not affiliated with PS Business Parks.
